About Me

I'm a fourth-year computer science student and aspiring Software & AI Developer. I bring honesty, creativity and hard work into my work environment and thrive to pursue perfect communication and teamwork.

Education

Mount Allison University, Sackville, NB

Bachelor of Science, Computer Science (2025)

Experience

Goya's Pizza, Sackville, NB

Delivery Driver & Crew Member, August 2023-May 2024

Assisted the owner in any parts of the restaurant, cooking, taking orders, delivering orders, customer service, food preparation, and closing and cleaning.

Biblos Hotels, Izmir, Turkey

Bartender, June 2023 – July 2023

Gained experience assisting the Barman in preparing drinks, maintaining clean work environment, taking orders, helping customers with drink suggestions and ensuring customer satisfaction. Managed high-volume customer interactions in a fast-paced environment.

Petaverse Pet, Izmir, Turkey

Social Media Marketing Intern, March 2023 – August 2023

Assisted in managing the social media presence for Petaverse Pet, engaging with the community and increasing brand visibility.

Petaverse Pet, Izmir, Turkey

Pet Food Distributor, December 2022 – March 2023

Initiated and maintained relationships with pet shops, booking appointments and successfully closing sales deals. Scheduled and coordinated meetings with pet food production companies, enhancing business partnerships. Collaborated in brainstorming sessions to identify and promote products suitable for wholesale to pet shops.
